IV. READING COMPREHENSION (2,0 ms)

Read the passage and choose the best answer for each question.

There are many problems that make the Vietnamese movies unable to keep pace with the development of the other countries' modern movies in the world. First of all, we do not have enough money to buy the most modern machinery and equipment for movie technology. The Vietnamese scriptwriters and filmmakers are not well-paid. They are busy earning money for life. We do not have enough conditions to train filmmakers and actors and actresses. From the dawn of the Vietnamese movie industry, there have been several films that won the world's recognition. However, our movie industry is still limited compared with many other countries'.

It is rather sad, but we must say many Vietnamese viewers do not like Vietnamese films. They like ones from Korea, China, and the U.S, so what we must do now is to make as many interesting films as possible.

Question 17: The Vietnamese movie industry is not _____.

- A. Well-developed B. Famous all over the world
C. Getting a big annual profit D. All are correct

Question 18: In Vietnam, _____.

- A. all the Vietnamese scriptwriters get a big salary
B. all the Vietnamese actors and actresses are well-trained
C. we do not have enough money to equip film studios
D. the Vietnamese directors are well-paid

Question 19: Most of the Vietnamese viewers _____.

- A. never see films made in the country
B. never go to the cinema
C. like films from Korea, China and the U.S
D. never see films from foreign countries

Question 20: To attract film fans, we should _____.

- A. make as many interesting films as possible
B. not allow films from foreign countries to be shown
C. pay scriptwriters a good salary
D. all are correct

Read the passage and choose the best word for each blank.

Nowadays lots of people drive to large supermarkets to (21) _____ their shopping. These supermarkets have car-parks, so you can buy several (22) _____ of shopping. You can fill your trolley, and then put it to your car. Some people prefer to go to local shops. These small shops are usually (23) _____ than supermarkets. Some towns have an open air market in the center, (24) _____ you can buy fruit and vegetables, but you have to carry your shopping home.

The three national parks in Wales are visited by an estimated 15 million people each year. Recreation and tourism are important contributor to the local economy and can contribute to the social stability of

modern rural communities. The National Parks are responsible for promoting enjoyment and understanding of the special qualities of their particular park. This is achieved through visitor centers, guides and books, management of sites and maintaining in excess of 5,000km of rights of way. All three parks operate full time ranger services.

Of the 15 million about 90% of these arrive in private motor cars, which is a key challenge in terms of managing visitors but also environmental pressure. The parks have been at the forefront of trying to develop and promote integrated public transport that facilitates and encourages modal shift and brings economic and service benefits to local people.
